

**Dear South Washington County Schools Resident:**

The form on the reverse side of this document is intended to help the school district update residence and family census records. This information is vital in helping the school district administration maintain current records and plan for future program needs. This data will remain confidential and will be used only to assist the administration in determining future building and facility needs; improving the efficiency of transporting public and private school students; help in projecting future revenues and program expenditures; assist in development of programs for preschool children, special education students, regular mainstream instruction, athletics, community education, senior citizen programs; and generally better serve the needs of District 833's students and citizens.

All residents are asked to complete this **Residence/Family Census** form, whether they have children in school or not. Please mail the completed form at your earliest convenience.

**This form places your pre-school child(ren) on the district mailing lists for all programs in the district.**

Thank you in advance for your help and support!
